Project Update

- **Week of December 16th - 20th:**

One crew will continue the utility repairs along Spanish Oak through mid to late week and one crew will move to the 200-block of Twin Oak. There is still some minor water line work to be completed along Spanish Oak, however; this operation will not be as deep, nor will it be in the middle of the road. This work will begin in the next several weeks

- **City Council - Tuesday, December 17th:**

In an effort to expedite the overall completion of the total project, the street portion has been divided into two phases. Phase I is for completion of the street work, and related grading and restoration for the areas east of the tributary east of Red Oak Street, Martindale Road and Burr Oak Street (see attached map).
